### Mane 'n tail conditioner

Conditions and fortifies hair and skin for a renewed lustrous healthy look  
Helps prevent hair breakage and split ends  
Natural oils nourish and condition scalp to protect against unsightly flaking and scaling  
Essential moisturizing corrects the drying effect caused by sun wind and use of bleach and peroxide lighteners  
Keeps hair tangle free soft and manageable for grooming and braiding

### Horse Salon

The closest thing to taking your horse to the salon!  
Horse Salon's rich, concentrated formulation cleanses hair thoroughly yet gently, drenching the hair with a luxurious easy to rinse lather removing residual buildup of flysprays, detanglers, environmental pollutants, and hard water minerals.  
Horse Salon contains two coat conditioners and Aloe as a skin conditioner.  
The coat conditioners leave the hair feeling soft and manageable, creating a perfect environment for brushing and braiding, while the aloe keeps the horse's skin moisturized and itch free.

### Quick wipes leather cleaner

Balanced formula falls within the pH range of leather  
Safely deep cleans leather in an alkaline free environment  
Foaming action breaks up and removes oils which trap dirt in the leather  
Glycerin provides residual softness following cleaning

### Quick wipes leather conditioner

Recognized by auto restorers and detailing professionals as "the best"  
Extends the life of leather by restoring the oils used in the tanning process  
An odorless non-greasy aqueous emulsion, Lexol contains no chemical solvents  
Not for use on napped leathers, suede or glove leather  
For Auto interiors, Handbags, Sporting goods, Luggage and may other items

### **Liquid Glycerine Saddle Soap**

More convenient to use than bars. Just spray on and wipe off this ready to use mixture and see the results. Cleans and preserves smooth leather. Buffs to a rich, satin finish.

### **Glycerine Saddle Soap Bar**

The 100% glycerine bar restores leather to its full-bodied suppleness and buffs to a rich, satin finish. An excellent cleaner and preservative. Fair and Horse Show exhibitors often shampoo prize horses and cattle with glycerine bars to impart a healthy sheen to their coats.

### **Neatsfoot Oil Compound**

This combination of natural and synthetic oils is used by saddle and boot makers to soften, preserve and waterproof smooth leather. It lubricates the fibers which restores suppleness to the leather.
